

## WSCA/NASPO Master Price Agreement B27162 includes:

- **Mobile Products:**
  - Choose from Laptops, Tablet PCs, Notebooks, and Mini-Notebooks. Thin and light or ultra-portable, these powerful, value-priced products will enhance the productivity of mobile workers and students.
- **Servers:**
  - Whether you require an entry-level, blade, or sophisticated multi-processor system, Fujitsu PRIMERGY® servers can handle the most demanding applications. This rock solid family of industry standards-based products runs Windows® and Linux.
- **Storage:**
  - Fujitsu offers great SAN, NAS, and true tape virtualization storage solutions. Our ETERNUS® line offers high reliability and availability plus low TCO to small-to mid-size and enterprise-class storage environments.
- **Managed Services:**
  - Optimize your IT operations through comprehensive services that address every facet of your IT environment from enterprise packaged applications and Help Desk to 24X7 mission-critical support.
- **Scanning Products:**
  - Fujitsu scanning products is an established leader in the document imaging market, featuring state-of-the-art scanning solutions in the workgroup, departmental, and production-level scanner categories. They deliver speed, image quality, and great paper handling, along with easy integration and compatibility with over 200 document imaging applications.
